The SFW 2022 Giveaway Calendar is a tool to help achieve our mission of improving wildlife management, habitat and big game populations in Utah.

SFW Mission Statement

The mission of SFW is to promote the protection and enhancement of wildlife habitat, assist in providing quality wildlife management programs, educating the public about the role hunters play in wildlife conservation, and perpetuating the family tradition of hunting and fishing.

About SFW

SFW is a team of nearly 8,000 member sportsmen and women who are passionate about wildlife and hunting, and who are intensely dedicated to the perpetuation of wildlife and habitat. Our membership is a collection of hunters – everything from average hunters and influential celebrities to wildlife experts, firearm and ammunition manufacturers, taxidermists, guides and outfitters. We all work together to create a future for wildlife and for hunters. SFW members have raised millions of dollars and volunteered tens of thousands of hours and equipment that is having very real affects on the ground. In Utah, Idaho and Wyoming over 1.5 million acres of public land has already been rehabilitated with SFW funds and influence. Countless acres of critical deer and elk winter habitat have been purchased, treated with chaining and burning, and preserved with SFW funds. Interstate and in-state transplants of buffalo, bighorn sheep, elk, turkey and mule deer are an annual event that provide volunteer opportunity for our members and more abundant and healthier wildlife for everyone.
